

September 30  
International  
Translators and Interpreters  
Day

Translators of Central Florida, grab your pens and mark **September 30** down on your calendar. **The first ever Translators and Interpreters get together in the Space Coast is taking place.** You wouldn't want to miss this cozy, information-filled happy hour, would you?

This will be a great chance to meet colleagues, network, and even make new professional contacts, while we enjoy delicious meals and beverages. Down south, the T&I professionals of Broward country will hold their monthly meeting at the exact same day and time, and offer us their warm, welcoming support through a video-call.

You are encouraged to **bring your business cards and resumes.** A round table will be held to discuss improvements to our professional image that can lead to even more professional success. **Students, agencies, and interested individuals are welcome!**

Join us!

First Tuesdays, Third Thursdays and the Space Coast Meet Up are monthly social gatherings for T&I professionals with and without ties to ATIF.
